The event will be streamed using Teams. Attendees can watch the live event in:

- **Teams app—desktop (Windows or Mac) or mobile.** (The Teams app is free to download if attendees would like to do that beforehand).
- **If they don't have Teams they can access it via one of the following browsers - Google Chrome, Microsoft Edge or Firefox.**

As a reminder, this session (and all our virtual sessions) will be recorded and will be subsequently shared so if somebody can't make the live session then they can watch it back at a time that is convenient to them.
